

## NUTMEG STATE GAMES OUT OF STATE COMPETITOR'S WAIVER

Figure skating competitors whose primary residence **is not** in Connecticut may compete in the ShopRite® Nutmeg State Games Figure Skating competition, provided that they are a member in good standing of US Figure Skating.

As figure skaters compete for the opportunity to advance to the State Games of America, they may compete in **only one** State Games figure skating competition. Therefore, any out-of-state figure skater competing in Connecticut's Nutmeg State Games **for the purpose of qualifying for the State Games of America**, understand and waives their right to compete in the State Games Figure Skating competition in their primary state of residence or any other State Games Figure Skating competition during the 2025 competitive season.

I am a member in good standing of USFS **AND:** (Select 1)

- ☐ I am a member in good standing of a Connecticut-based skating club
- ☐ My state does not offer a State Games
- ☐ I am not seeking to qualify for the State Games of America

and am therefore eligible to skate in the Nutmeg State Games Figure Skating Competition.

Furthermore, if I am seeking to qualify for the State Games of America, I understand and agree that by competing at the ShopRite® Nutmeg State Games, I waive my right to compete during the 2024 competitive season in any other State Games Figure Skating competition.
