Dear Participants and Coaches,

I'm sorry to have to tell you that we are cancelling the 2025 Northeast Football Showcase.

We have been providing the showcase since 2014. With well over 1000 participants, countless players have gone on to play in college. Numerous college football coaches remarked on how well run and organized our showcase was, and the trip in early May to Middletown was one of the first things they put on their calendar.

The opportunity to provide this showcase at a very affordable price was extremely important for us. Unfortunately, two other organizations decided to schedule their showcase on the same day and although they charge significantly more to attend, and this has negatively affected our attendance

We have already begun to plan our 2026 Northeast Football Showcase! I can ensure it will be at the highest quality, be well attended by college coaches, and provide the opportunity for Connecticut High School Football players to showcase their talents.

Thank you for your understanding. We will process your refund immediately.

Sincerely,

Edward J. Matz
