Walterboro loves cyclists

Welcome to FestiVELO

On behalf of the entire FestiVELO team, I would like to extend a warm welcome to you at FestiVELO 2025!

Our FestiVELO team has truly dedicated themselves over the past year to ensure you have the most wonderful experience at FestiVELO. We're excited to be part of your journey and look forward to creating many more memorable moments together!

Celebrating its 28th year, FestiVELO continues to be the most unique bicycling event in the USA. Over the years, it has called several places home, and we are truly happy to say that for the 9th year, Walterboro has become our beloved home. The City of Walterboro has shown incredible support, and we are so thankful for their kindness. We also want to share our gratitude with the wonderful staff at the Colleton County Farmer's Market for their warm hospitality. Their generosity and the strong partnership between them and FestiVELO are key to making this event so special and successful.

FestiVELO is more than just a bike ride; it's a truly wonderful experience. Over four days of cycling, we offer delicious food, plenty of fun, and warm fellowship. Many riders return year after year to reconnect with friends they've made at FestiVELO. We're delighted to welcome riders from all across the United States and around the world to join us.

We also want to extend a heartfelt thank you to the bicycle clubs and groups that make FestiVELO a cherished part of their annual riding tradition. Keep an eye out for the bibs of the riders you'll meet along the way. We've put extra effort into honoring our veterans by featuring an American flag on their bibs. If you're a veteran, we truly appreciate your service. And if you spot "Ol' Glory" on a bib, please take a moment to thank the rider for their service. Their dedication helps make it possible for us to enjoy events like this in our wonderful country.

We see your success as our success. We truly value the time, effort, and financial support you've generously given to be part of FestiVELO. Your support truly touches our hearts and inspires us each year to make FestiVELO an unforgettable experience for everyone.

We hope that while you are visiting Walterboro, the Front Porch of the Lowcountry, you are able to take some time to enjoy all the area has to offer. Founded in 1873 by the Walter brothers, Walterboro became the county seat of Colleton County in 1812 and was incorporated in 1826. Walterboro and the surrounding area are full of fascinating history, and we hope you'll feel like a part of it as you explore the scenic highways and quiet byways of rural South Carolina.

Once again, welcome to FestiVELO. I look forward to seeing everyone.

With great appreciation,

Ryan Wright
Event Director

WALTERBORO, SC

Welcome to Walterboro

FROM BILL YOUNG, MAYOR OF WALTERBORO

Dear Friends of FestiVelo,

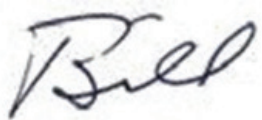

Congratulations on celebrating the annual FestiVelo and welcome to City of Walterboro. Each year, our community looks forward to hosting this event and each of its cyclists.

FestiVelo is the perfect way to take in the natural beauty of Walterboro and the South Carolina's Lowcountry. This event has something for everyone, be it the nature, lessons on Lowcountry history, fellowship with other cyclists, or themed dinners and nighttime events. For this reason, the festival has continued to bring back hundreds of riders for over 20 years.

I sincerely hope you enjoy your rides, the nature, rich history, and culture that Walterboro has to offer. We look forward to showing you around The Front Porch of the Lowcountry and hope that at the end of your stay Walterboro feels like home to you.

To the members of the FestiVelo planning committee, I commend your hard work and dedication in putting together one of the most unique cycling festivals in the United States. The success of this event every year is a testament to the pride you feel for your sport as well as to this community. I thank you.

Best,

Bill Young
Mayor, City of Walterboro, SC

FestiVELO App

The FestiVELO app puts everything you need to know right at your fingertips. From driving directions and locations within Walterboro, to route descriptions, maps, and even weather, you have everything you need to make your ride easy, safe, and fun.

Indeed, should you call for help, the first question you'll be asked is, "Have you installed the app?" That's because the app lets you send your location to the director so support can be sent straight to you, with notification of the driver's location, speed, and time of arrival (kind of like Uber).

Scan the QR code to install, or search for "FestiVELO" on the App Store or Google Play.

Install

FestiVelo RideWithGPS Club Account

FestiVelo has a RideWithGPS event account, which gives you free access to advanced features of the RideWithGPS web site and smartphone app. To utilize these features, follow these steps:

RideWithGPS web site

1. Open RideWithGPS.com and register as a user (choose a Starter account, which is free).
2. Authorize yourself to the FestiVelo club account by scanning the QR code, below, or opening this link: <https://bit.ly/39zjWnM>. You'll be prompted to sign-in to RideWithGPS with your email address and password (created in the above step).
3. After signing in you should see the FestiVelo logo on the left-hand side of the Home page. Click the FestiVelo logo and you will be in the FestiVelo club section.
4. Click 'Events' to see the list of FestiVelo routes for each day.
5. Click 'Collections' to see all of the routes in one place.

RideWithGPS App

6. Install the Ride WithGPS app from your respective app store. (If you already have the app installed, you may need to re-install it if you can't access the club features.)
7. Log into RideWithGPS from the app. On the app's home screen, tap the **More** icon on the bottom-right, then tap **Organizations**, and then **FestiVelo**.
8. From the resulting FestiVelo screen you have access to the **Events**, **Routes**, and **Collections**.
9. When a route is open, you can use the buttons at the bottom of the screen to **Navigate** (get turn-by-turn directions) or **Download** (use with no cellular signal). The **Location** icon on the map will display your current location.

Note: you can also join the RideWithGPS event account and access the RideWithGPS routes directly via the FestiVelo app!

FestiVELO 2025 Routes

Important! Be aware that GPS data in this area of the SC Lowcountry is poorly matched, so that Garmin or similar devices may become confused, particularly with turn-by-turn directions and where segments overlap, such as at rest stops. If you are unsure whether you're on course, stop and reference the route and your location via the FestiVelo app.

FestiVelo Routes

A Reference Guide to the FestiVelo Routes

The next pages are organized for you to be able to tear out and take on your ride of choice. They are organized by day. Each sheet will give you turn by turn directions through Walterboro and Colleton County. If you prefer a digital version, please download our FestiVelo app.

FestiVelo Cue Sheet Cues

FESTIVELO HAS SOOOO MANY ROUTE OPTIONS FOR EACH OF THE FOUR DAYS OF CYCLING. HERE ARE THE KEY THINGS YOU NEED TO KNOW:

Each day there are three routes, a long (~100 miles), a medium (~62 miles), and a short (~31 miles).

All routes are marked with a white circle and colored "tail", like O-, in advance of, just before, and just after any turn, indicating the direction to be taken. The first marker will be placed by an "intersection ahead" sign, if present.

The long routes are marked in white, the medium routes in yellow, and the short routes in blue. You only need to remember one color per route. Where routes overlap, you'll see multiple colored tails attached to the white circle.

All routes start from the Colleton County Farmers' Market, with the long ride departing at 8:00 am, the medium at 9:00, and the short at 10:00, all with a police escort to the city limits.

EXCEPT, on Saturday, the short route starts from Crosco Express in Green Pond at 10:00. This route is particularly scenic.

Lunch, snacks, and drinks will be served after the ride at the Farmers' Market from 11:30 am to 4:30 pm. There will be plenty of food and drink at the rest stops on the routes.

Rest stops are numbered in the order encountered on the long routes. Shorter routes may encounter rest stops out of numeric sequence.

While you are free to start whenever you want, please be mindful of the rest stop hours (listed on the cue sheets).

Pay attention to the warnings! Some of the railroad crossings are especially hazardous if wet and can take down even experienced cyclists.

The routes are patrolled by SAG ("support and gear") vehicles and professional motorcycle support. You won't be left out on the course.

If you need help, use the FestiVelo app to communicate with the director and request assistance. Alternatively, the director's phone number is listed on each cue sheet. If you request assistance, stay put until assistance arrives. It's harder to find you if you move!

Sharing your location via the FestiVelo app helps the support staff monitor your location. This is particularly recommended if you are riding solo or will be finishing later in the day.

The cue sheets are also available in the FestiVelo app on the Routes page, in the expanded section for each route.
